### SALES FINANCE COMPANY FORM 361-A-AR

#### 2007 NH ANNUAL REPORT - GENERAL INSTRUCTIONS

- 1. Information provided in this form is aggregated and an analysis is published by the New Hampshire Bank Commissioner in his Annual Report to the Governor and Executive Council. The accuracy of the information is also important because it will be used by the New Hampshire Banking Department ("the department") if assessment calculations are needed.
- 2. A Sales Finance Company who surrenders its license during the 2007 calendar year must file this annual report form, along with a NH License Surrender Form, within 15 days from the date the company ceases business in New Hampshire.
- 3. All Sales Finance Companies continuing to be licensed in accordance with NH RSA 361-A or whose license expired on December 31, 2007 and who were licensed during any period of time during the preceding calendar year must complete and file this report with the department on or before February 1<sup>st</sup> of the ensuing year. All annual reports for calendar year 2007 must be received by the department on or before the close of business on Friday, February 1, 2008.
- 4. All items on the form must be completed; do not leave any blanks. Reports with blanks are incomplete and will be deemed as "not filed" for purposes of any penalty. If an item is not applicable to business conducted by the licensee, enter "N/A", "none", "O", or "zero".
- 5. SAVE YOUR CALCULATIONS. Work papers used to calculate and compile the information required by this form must be retained and made available when the licensee is examined by the department.
- 6. This report must be filed if a license was held for a portion of the reporting year and must be filed even if no loans were made or purchased. The original report, signed under penalty of unsworn falsification pursuant to NH RSA 641:3, must be physically delivered to the department; we cannot accept fax transmissions of reports. Failure to file the annual report or late filing of the annual report results in a statutory penalty of \$25 per day for each day the report is overdue.
- 7. No fee is required to file this annual report.
- 8. Information about loans should be provided for transactions made during the calendar year 2007. The figures in the three columns should reflect the company's sales finance loans and leases made by the licensee from all business locations in New Hampshire.
- 9. Do not double count sales finance company loan or lease transactions. Include each loan or lease transaction done by the company during 2007 only once on this form Categorize loan transactions by deciding first whether each transaction was 1) a loan or 2) a lease, and then secondly by deciding whether the loan was 3) funded by the company (installment contracts, direct loans), or 4) purchased by or assigned to the company (indirect loans purchased from another company by the licensee).
- 10. "Gross Revenue" means all revenue from whatever source received by the licensee on NH loans and leases, before any expenses are deducted.
- 11. Round dollar amounts to the nearest whole number.
- 12. Information about loans and repossessions should be provided for the calendar year 2007.
